Hi David,

Correct, the meeting will only be with StudioOneEleven. BOE is working with our designer to provide further insight on the pavers and other areas. speak Our designer's name is Kirk Keller and he can speak to the specific details of the project such as bollards, plant types, etc. that were brought up last week.

The meeting should be held on-site at Fierman Way.

As it stands, **Wednesday 1/27 at 3:30pm appears to be the best time.** Liz, Sue do you have any objections to that time? Please advise.

Sincerely,

Alain J. Datcher

Alain,

To clarify, this meeting will ONLY be with StudioOneEleven and NOT Bureau of Engineering...right? Second, are you proposing to hold the meeting in San Pedro or at City Hall in downtown?

I'm currently available:

Wed., 1/27 3-5 PM

Thu., 1/28 12-3 PM

Please advise.

Best,  
David

Hi Fierman Stakeholders,

I spoke with our designer and Bureau of Engineering personnel about the concerns expressed at last week's meeting. I am pursuing other possible paver color options while coordinating efforts with our designer and BOE to provide viable choices that resemble the option originally selected.

Our designer is able to meet next week. Possible meeting times are:

Wednesday, January 27<sup>th</sup> (3-5pm)

Thursday, January 27<sup>th</sup> (10am-3pm)

Please confirm which timeframe works best for you and I will follow up with Kirk. If you have any questions in the interim, please don't hesitate to call or email me.

Alain,

In an attempt to expedite this project, can we schedule another meeting at your earliest

convenience with the design representative? Have you made any contact with them?

We look forward to hearing from you.
